To All,

I want to take this opportunity to welcome you to the 87th annual Hollidaysburg Community Farm Show. We appreciate all your efforts as you share with everyone all the products from your farms, gardens and homes. Your part as an exhibitor is what sustains the Farm Show from year to year. It's more than an entry to win a cash premium or ribbon, it's so much more. It's about families, friends and farmers working and playing together, making new friends and meeting with old friends once again. It's about educating our children, grand children and young people about the importance of family, friends, farming and gardening in our community of Hollidaysburg.

I want to also thank those who give of their time and talents. Our officers and board members to others who set up and tear down or volunteer in many other ways during the week of the Farm Show and all year long. With your help we look forward to a successful farm show this year and many more to come.

Sincerely,

Apryl Smith

Hollidaysburg Farm Show
President

NOTICE

PLEASE READ THE FOLLOWING TO ASSURE COMPLIANCE.

A change in the booklet has been completed this year. This process will continue until the Booklet appears to be at its best. Please note the changes made this year are to eliminate some problems of past years in completing the entry forms.

Adult Tag: Complete fully the Department, Class, and Sub-class of your entry at the top and the entry number and your name at the bottom.

Youth Tag: Complete fully the Department, Section, Class, and Sub-class of your entry at the top and the entry number and your name at the bottom.

The booklet continues to list the youth and adult together. Hopefully at this point the booklet has become more user friendly. Also the cost of printing the booklet continues to increase which causes a strain on the budget. It is good business to utilize the funds wisely that is available to the Hollidaysburg Community Farm Show from the State Fair Funds.

Please read the booklet carefully when completing the entry tags.

Some entries remain the same as previous years while others have been dropped or added. The use of colored entry tags remains the same. **(Yellow tag for Youth / White tag for Adult / Orange tag for Contests)**

Youth is considered to be anyone under 19 years and a High School student.

Be sure the right tag is used. Yellow for Youth. White for Adults. Orange for Contests.

This Premium List has been assembled hopefully without any errors. In this as in other things errors may be found. If so please notify one of the Officers for correction in future publications. Further if any suggestions are available likewise please notify one of the Officers.

Note: The use of an orange tag will be for contest entries. See committee members for instructions.

WHAT IS A FARM SHOW

As we approach our 87th show, it's well that we stop and ask ourselves this question:

Just "What is a Farm Show?"

A Farm Show is many things-its primary purpose is to exhibit products which show progress in agriculture and home economics.

But a Farm Show is much more than that. It is a show of crops, of garden produce, of fruits and flowers, of fine things to eat, to wear, and of objects or utility and beauty produced by our home craftsman. But this still does not capture entirely the spirit of our show.

A Farm Show is "people"-people working together, people fraternizing with their neighbors, people show other people how best to grow, to make, or enjoy things which make for enjoyable living, and finally people who take pride in their community, and are determined to see that same pride shared with or developed by their friends and neighbors.

Come join us in making this another good COMMUNITY FARM Show.

— Harry Knox

BLUE RIBBON APPLE PIE CONTEST

INSTRUCTIONS TO BE USED BY FAIRS AT THEIR 2024

EVENT - Each county/local fair is encouraged to conduct a 36th Annual Blue Ribbon Apple Pie Contest at their 2024 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2025 PENNSYLVANIA FARM SHOW.

RULES for local Fair and the PA Farm Show contests are as follows:

- Open to any individual **amateur** baker who is a Pennsylvania resident. One entry per person.
- Entrants may NOT have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2024.**
- The Apple Pie, including fillings and crust, must be **made from scratch with edible ingredients**. No prepackaged ingredients may be used (*ex: no pre-made mixes, cookie dough, pie crust, frosting, etc.*) Any decorations must just be edible.
- Recipe **must include at least 60% apples in the filling**. It does not need to be a “traditional” two crusted apple pie and it can have a variety of fillings.
- The entire pie must be submitted for judging in a food safe disposable pie pan. (*All pans, plates and dishes are considered to be disposable and will not be returned.*)
- The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 1/2” by 11” sheets of paper. The recipe must list all the ingredients, quantities, and the preparation instructions. Entrant’s name, address and phone number must be printed on the back side of all the pages. (*All recipes and pies will become the property of the Fair or PA Farm Show and will not be returned.*)
- Refrigeration is not available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
- Judging will be based on the following criteria:

Flavor.....	30 points
Filling: consistency, doneness, moistness & flavor.....	25 points
Crust: color, flavor, texture doneness.....	20 points
Overall Appearance.....	15 points
Creativity.....	10 points
TOTAL.....	100 Points

Creativity is essential to a varied competition. Do not limit your contest to a “traditional” two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling.

Each Fair must submit the Contest Summary Report verifying the winning apple pie baker. This person will then be eligible to enter the state competition at the 2025 PA Farm Show and will receive the Official PA Farm Show Certification Entry Form directly from the PA Fairs Special Baking Contest Committee by December 2.

NOTE: *If an individual has already won 1st place at another fair in 2024 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2025 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.*

FAIR PRIZES: 1st = \$25 2nd = \$20 3rd = \$15

First Place Winner is eligible for the 2025 PA Farm Show competition.
